Community Shop Countdown

Now we are registered as a Community Benefit Society. We are on course for the reopening of the shop in March in what were the former school premises.

Many people have volunteered to help out, either serving or in backroom roles.

Getting involved

There are several other ways in which local residents can get involved and show their confidence in the future of the shop as a community owned resource.

Community Payment Card scheme

Of course, in order to reopen we have to have things to sell! We are going to start by using a Community Payment Card Scheme, which we will launch prior to the opening of the shop.

What is a Community Payment Card?

We will provide a payment card which people can load with money, then use this balance to buy goods in the shop.

How much do I need to put on the card?

As much as you like, but it would help if you could load your card initially with £25 or more. After the shop opens, you can add money to your card at any time in the shop.

What's in it for me?

There will be periodic special offers and other deals for card holders. And of course you will be supporting the return of the shop to Llandegla and giving a vote of confidence in our community!

Why do you need to do this?

Cash flow is always difficult for a new enterprise such as this. This scheme will provide the funds to stock the shop initially.

How do I get a card?

Come along to the Open Day at the old school on Sunday February 7th (*see overleaf*), send a cheque to Janet Strivens, Y Graig, Llandegla LL11 3BG made out to Llandegla Community Shop Ltd or telephone 01978 790657

Do I have to have a card to shop?

Certainly not! We'll still be happy to take cash or cards but using the card system will help to ensure our success.

Community Benefit Society Shares

The shop is a Community Benefit Society (CBS), which means that it is owned and run by the community which it serves with a fully democratic structure. You can become a Member of the CBS by buying a single share (or more if you wish) for £25. This will give you full voting rights at the AGM and an ongoing say in how the shop develops and expands. You can become a member at the Open Day or by phoning 01978 790657.
